

# Help us get all Minnesotans signed up for the COVID-19 Vaccine Connector

## Key Messages to Share:

The Minnesota COVID-19 Vaccine Connector helps Minnesotans find out when, where, and how to get their COVID-19 vaccine.

The tool connects Minnesotans to a vaccine opportunity near them — no matter where they live or their personal circumstances.

Signing up for the Vaccine Connector is easy, safe, and secure — and all Minnesotans should sign up, no matter their current eligibility status.

### When Minnesotans become eligible, the Vaccine Connector will:

- alert them of their eligibility
- connect them to resources to schedule an appointment; and
- notify them if there are vaccination opportunities in their area.
