

IMMIGRANT  
LAW CENTER  
— of MINNESOTA —

2023

A N N U A L  
R E P O R T

## Dear Friends and Allies,

Changing laws affecting immigrants can seem like an impossible goal, but in 2023 we celebrated victories that have been years in the making. The biggest victory: Driver's Licenses for All is finally the law again in Minnesota!

Our advocacy work is always in collaboration with partners, friends, and allies like you. Minnesota's many immigrant communities led the way, and we were proud to be one of the organizational allies and partners who was there from the start of this movement, along with leaders in labor, agriculture, business, faith communities, law enforcement, and the legislative and executive branches. People across Minnesota contacted their legislators, wrote letters to the editor, and talked to their friends and neighbors about the importance of restoring driver's licenses to all Minnesotans.

Driver's License for All was the biggest win in 2023, but it wasn't the only one. We also worked to support other important Minnesota legislation, including:

- Permanently establishing the Office of New Americans to ensure economic growth for the state and economic prosperity for all Minnesotans;
- Extending MinnesotaCare coverage to all Minnesotans regardless of their immigration status;
- Making individuals with Individual Taxpayer Identification Numbers (ITIN) eligible for the homestead exemption, the working families tax credit, and the child tax credit; and
- Reducing the maximum sentence for a gross misdemeanor from 365 days to 364 days to ensure that a Minnesota gross misdemeanor conviction cannot be treated as an aggravated felony by the federal government.

As we celebrate these victories, we recognize the many challenges that remain, especially on the federal level. None of this is easy. None of the wins come quickly. Together, we will continue the long and important work of advocating for justice in laws and policies affecting immigrants.

As we celebrate these 2023 victories, may they strengthen our courage and determination to continue the work at local, state, and federal levels to ensure that immigrants and refugees across Minnesota and our nation are recognized as full members of our community.

In solidarity,

## Maynor's Story

Maynor is from Guatemala and was a permanent resident for just under 17 years before becoming a United States citizen on September 21, 2023. He had originally received his lawful permanent resident status under the Nicaraguan Adjustment and Central American Relief Act and found his way to ILCM through a partnership between ILCM and the Latino Economic Development Center. Today, Maynor owns his own house painting company and he and his family live in southern Minnesota. Four of his five children are also U.S. citizens.

## Advocacy and Education

ILCM is grateful to the community, community partners, and everyone who wrote an email, called a legislator, or showed up at the Capitol. Together, we advocated for immigrants and refugees at the Minnesota legislature, and the legislature responded.

ILCM was honored by Unidos MN with their *Leaders in the Arena 2023 Award* for our collaborative work on Driver's Licenses for All.
